

Zapata County Transportation Funding

- In the 2023 Unified Transportation Program, Zapata County is authorized to receive **\$58,627,934** in transportation funding.
 - This is an **\$8 million increase** over the 2022 plan.
 - The increase is largely due to the historic Bipartisan Infrastructure Law.
 - The Pharr transportation district, which includes Zapata County, will be letting **\$157,460,204** in construction funding in fiscal year 2023.
